

Information	Description
Tour name	Zurich: Titlis Ski day
Code produit	KTU783
Opening	Daily from december 15 to march 30
Time	08:00
Description	Meet your driver-guide in Zurich and embark on an unforgettable adventure through the Swiss countryside to Engelberg, with a stop in the beautiful city of Lucerne. Enjoy a break to admire iconic landmarks such as the Chapel Bridge and the Lion Monument, and take some time to explore the charming old town at your own pace. After this cultural stop, continue your journey upwards with the Titlis Xpress. From Engelberg, board the famous cable car for a 45-minute ascent to an altitude of 3,020 meters. On the Rotair, the world's first rotating cable car, enjoy a breathtaking 360-degree panoramic view of the majestic Swiss Alps. At the summit of Mount Titlis, a true winter wonderland awaits. Discover the ice cave, take the Ice Flyer chairlift for a ride over the crevasses, and have fun snowtubing down a thrilling slope. Then, for adventure enthusiasts, experience an unforgettable freeride skiing session on the pristine slopes of Mount Titlis. This day perfectly combines discovery, relaxation, and adventure in one of the most stunning landscapes of Central Switzerland.
