Description	<p>This rocky 3842 m./12,604 ft. peak close to the Mont Blanc is reached in 20 minutes by a two-stage cablecar. The summit offers unique panoramic views of the Chamonix Valley and major peaks of the French, Swiss and Italian Alps.</p> <p>The fantastic universe of the high mountains !</p> <p>The most famous cable-car in the world will take you, after a dizzying aerial voyage, as far as the Aiguille du Midi (3842 metres). This high-mountain site, equipped for your comfort and safety, offers you a unique 360° panorama, taking in the majestic Mont-Blanc as well as the whole of its massif.</p> <p>Perhaps you will be lucky enough to see mountaineers linked by ropes trying to conquer one of these prestigious summits.</p> <p>The Aiguille du Midi comprises 4 sites :</p> <p>The Piton Nord on which you arrive : arrival and departure station, cafeteria, souvenir shop, terrace for looking at Chamonix from above.</p> <p>The Piton Central with the Mont-Blanc gallery, the lift and the terrace at the summit (3842 metres). (Access to the lift is not included in the price of the return ticket)</p> <p>The Mont-Blanc terrace, the finest view of Mont-Blanc. Not to be missed !</p> <p>In winter, access to the Vallée Blanche is via the ice tunnel, Vallée Blanche exit.</p> <p>In summer, access to Helbronner Italy (Mont-Blanc panoramic cable-car), is via the Rebuffat footbridge.</p>
